Wellspring Becomes First and Only Special Accommodations Testing Center in Massachusetts

Last year, after working diligently to complete all requirements necessary to test for her HiSET, one of our students with significant disabilities traveled to Roxbury to take her test. It wasn't until she arrived that she learned the center was unable to accommodate her—even after asking her to wait for two hours. She returned home dejected and disappointed after a five-hour ordeal asking her to wait for two hours.

Within three weeks of this incident, Wellspring was approved as the first and only special accommodations testing center in the entire state of Massachusetts!

Wellspring has seen an increase in the number of students with disabilities requiring accommodations for testing, so we knew that becoming such a site would help many people take that important step of earning their high school credentials. With such approved accommodations, now Wellspring students, as well as other South Shore HiSET testers, can avoid traveling to either Boston or Brockton to test, thus saving time, energy, and financial resources.

Special accommodations can range from additional testing time, longer and increased breaks, audio recording of reading material, or a scribe to read and record answers. Now, as the only special accommodations testing center in the Common-wealth, we are often relied upon to provide one-on-one testing for students throughout the region.

Wellspring’s Strategic Plan See priorities, next page

The Board of Directors of Wellspring has, over the last year, embarked on a strategic planning initiative. The purpose has been to build on past successes and to formulate plans for the continued success and sustainability of our charity.

The planning process was led by an ad hoc Strategic Planning Committee consisting of the Board’s officers and committee chairs, senior staff, the entire Board at a retreat, and through discussions and consultations with the standing committees of the Board. Continued on next page.

Howl at the Moon Was a Howling Success!

At our Howl at the Moon fundraiser evening last November, 275 friends of Wellspring partied, danced, enjoyed fabulous food, and made wishes come true for Wellspring clients. One guest called the offices afterward just to report, “The food was absolutely amazing. Possibly the best yet!” And we have heard that before, but we do feel that the food vendors try to outdo themselves (and each other?) every year. The result is an incredible selection of tasting experiences.

Once again, we thank our generous friends in the food, beverage, and restaurant industry: Alma Nove, Bia, Hola, Jake’s Seafood Restaurant, Trident, Ellen Mackenzie Catering, Paragon Grill at Nantasket Beach Resort, The Corner Stop, The Fresh Feast, The Range, Simply Smiths, A Taste for Wine and Spirits, Constellation Brands, Curtis Liquors. We also thank committee members, auctioneer Tom Hoffman, friends, and supporters who helped us exceed our fundraising goal, and raise $106,000. The most ever!

Supporting Wellspring’s Good Works Through Your Legacies

Wellspring is fortunate to receive thoughtful gifts from donors, even after they are gone. Many make modest gifts in the form of a charitable bequest that, when added together, make a significant impact. We are grateful to our loyal friends who wish to support our good works as a part of their legacy.

You don’t have to be wealthy to make a bequest. It may be in any amount, and most gifts average $10,000. Three simple ways to make a bequest through one’s will are:

- **Percentage bequest**: Make a gift of a percentage of your estate.
- **Specific bequest**: Make a gift of a specific dollar amount or specific asset.
- **Residual bequest**: Make a gift from the remainder or residue of your estate.

To learn more about whether a bequest is right for you and your family, please contact Kelly DiPersio, Major Gifts Officer, at 781-925-3211 Ext. 115, or email her atKelly@wellspringhull.org. Please note: Wellspring does not provide legal advice to donors. Please seek the advice of your attorney, or qualified estate or tax professional before making your gift. Thank you.
